

Camper Account

Camp Echo Summer of 2010

Please complete and mail this form to Camp Echo with a check by June 15.

A Camper Account is a debit account against which we charge camp store purchases and small amounts of spending money for campers to purchase souvenirs on off-campus trips. Some possible items to purchase from the camp store are: shampoo, batteries, water bottles, stationary, stamps, disposable cameras, and much more. If it is necessary for our Health Center staff to fill a prescription for your child, the cost of that prescription (or your co-pay charge) will also be charged against this account.

Please note that campers should never carry or store cash at camp.

We recommend starting with \$125 for campers in 1st through 6th grades and \$175 for campers in 7th grade and up (or half the amount for 3 or 4 week campers). CIT's should add an additional \$35 to cover the cost of their 7 CIT shirts (unless you ordered more).

You can add value to this account at any time by contacting the camp office, or you can recharge on Visiting Day. Account balances will be available in the Dining Hall. Unless you request otherwise, any unspent money will be applied to your 2011 tuition.
